

## Booth Supportive Services Program referral form

### Program eligibility

The following is the criteria to be eligible to receive Booth Supportive Services (BSS) Case Management Services. Clients must meet the following criteria to apply:

- Have an official **mental health diagnosis** provided by a medical practitioner or clinical psychologist. Or the client has **undiagnosed severe persistent mental health** and refuses to engage with a mental health professional.
- Has an experience of **chronic homelessness**- client has been continuously homeless over the past 6 months or has had multiple shelter stays over the last three years.
- Have either been recently **housed** or has a lease signed.
- The client must be **18 years** of age or older.

### Program services

BSS is a Case Management program that provides up to three years of services to clients. The goal of BSS is to:

1. Support the individual to stabilize in their housing
2. Build a comprehensive care network to support housing stability and community integration.
3. Support individuals to access their formal and informal care network to support housing stability and community integration.
